HIV/AIDS
AWARENESS DAY**

Global AIDS Policy Partnership

MARCH 10

**NATIONAL
WOMEN & GIRLS
HIV/AIDS
AWARENESS DAY**

Global AIDS Policy Partnership

The impact of HIV/AIDS stigma is far-reaching, especially on women and girls, people of color, young people, and transgender people.

National Women and Girls HIV/AIDS Awareness Day

Every woman and
girl should have
access to
evidence-based,
age-appropriate
HIV education and
prevention tools.

*National Women and Girls
HIV/AIDS Awareness Day*

Congress, commit to
comprehensive HIV/AIDS
treatment and prevention
for women and girls.

National Women and Girls HIV/AIDS Awareness Day

Congress,
expand access
to HIV/AIDS
prevention and
care for women
& girls in the U.S.
and globally.

*National Women and Girls
HIV/AIDS Awareness Day*

Every week,
6,000
adolescent girls & young
women are infected with
#HIV worldwide.

*National Women and Girls
HIV/AIDS Awareness Day*

National Women and Girls HIV/AIDS Awareness Day Resolutions:

- Greater focus on the HIV-related vulnerabilities of women & girls
- Strong, sustained investment for prevention, care, treatment services, & research programs
- The implementation of the National HIV/AIDS Strategy
- Investment in PEPFAR's DREAMS partnership
- Youth-friendly, culturally responsive, inclusive & accessible health care services
- Continued investment & engagement to address GBV, combat discrimination, barriers to accessing care
- Up-to-date, inclusive, culturally responsible & medically accurate information about HIV
